 - Women Imaging rotation-2024
- **King Abdulaziz University Hospital, Jeddah, Saudi Arabia.**
 - Breast imaging rotation-2022
 - PGY-2

EDUCATION

King Abdul-Aziz University, Jeddah, Saudi Arabia— MBBS

- May 2019
- Bachelor's degree in medicine and surgery with a GPA of 3.75 out of 5.

HONORS AND AWARDS

First place winner of resident research day of the western region 2023, Saudi Arabia.

- Representing research: (TIRADS interobserver variability in the assessment of thyroid nodules and its accuracy in comparison with the Bethesda scoring system: a retrospective study)

Certificate of Excellence for achieving GPA of “excellent” in both successive semesters of the academic year 2013-2014

REASERCH EXPERINCE

2024: Inflammatory breast cancer in men: a rare clinical case report.

- As a co-author.
- Waiting for publication.

2024: Incidentally Identified Acupuncture Needle Fragments in Breast Mammography: a case report.

- As a co-author.
- Waiting for publication.

PERSONAL INFORMATION

DOB: 28\04/1995

Marital status: married

Address: Batha Quraysh,
Makkah, Saudi Arabia

CONTACT

0591172101

Athal.kf@gmail.com

HOBBIES:

Professional photography
and videography.

2024: Detection of breast lesions incidentally found on non-breast imaging studies: a systemic review.

- As a co-author.
- Waiting for publication.

2023: Segmentation of locally advanced breast cancer on ultrasound: a retrospective cohort study.

- As an author.
- Ongoing research.

2023: TIRADS Interobserver Variability in Assessment of Thyroid Nodules and Its Accuracy in Comparison with the Bethesda Scoring System: A Retrospective Study.

- As an author.
- Waiting for publication.

2021-2023: Rectouterine Fistula and Fibroid Expulsion after Uterine Artery Embolization: A case report.

- As a co-author.
- Published: Guzaiz N, Elsakhawy A, Omar M, Filemban A, Khairo M. Rectouterine Fistula and Fibroid Expulsion after Uterine Artery Embolization. J Vasc Interv Radiol. 2023 Oct 4:S1051-0443(23)00719-4. doi: 10.1016/j.jvir.2023.09.024. Epub ahead of print. PMID: 37797743.

2017- 2022: knowledge and attitudes regarding child safety at home in Saudi Arabia: a cross-sectional study.

- As a first author.
- Published: (Journal of Family Medicine and Primary Care)
<https://pubmed.ncbi.nlm.nih.gov/35495850/>
