**Dr. Basem Ghazi Ahmed**

who worked as an intern in internal medicine department in Hera General Hospital,  
from May 1<sup>st</sup> 2021 until June 30<sup>th</sup> 2021

During his tenure I found Dr. Basem very punctual, hardworking and dedicated towards patient care. He has got a very sound theoretical knowledge and is always keen to learn more. As a person he has got a good personality and he got along very well with all the Medical stuff, really he has a great potential to learn, teach and conducting researches.

Dr. Basem, is a person of finest competence, easy to get along, and able to integrate himself in all sorts of working ambiances, he is capable to communicate and cooperates with his colleagues, and accepts suggestions that may add up knowledge.

In brief Dr. Basem is a very promising, upcoming young doctor and I am sure whatever the specialty he joins, he will make his mark. I therefore, strongly support and recommend Dr. Basem for any path he may choose. I wish him all the best in his future medical career, don't hesitate to contact me at any time.

To whom it may concern

**Dr. Basem Ghazi Ahmed**

I had the opportunity of working with Dr. Basem from 01-03-2021 to 30-04-2021 in pediatric department as resident at Hera General Hospital

Dr. Basem is a highly motivated physician who executed his responsibilities in a consistently thorough and effective manner. He demonstrated a physician who has a broad fund of knowledge and keen intellect that is evident by his ability to critically apply his knowledge to arrive at a well-reasoned approach to clinical problems.

Dr. Basem always conducted himself in a professional manner. He is always available when needed by his patients and their families as well as by his co-fellows, and seniors. He displayed a friendly and mutually respectful attitude towards his junior and senior colleagues as well as towards the rest of the medical and nursing staff. He has the ability to harmoniously work in a multinational environment because of his friendly personality.

He is a clinically bright and energetic young physician who I believe will be a strong asset in your program.

I strongly recommend Dr. Basem for the post he aspires for and I wish him the best in all his future endeavors.

If you need further information, please do not hesitate to contact me.
